# Final Call for Posters

## The Role of Catalysis for the Energy-Transition

### Poster Award Announcement

The DGMK awards the annual Poster Award. The winner receives a free 1-year DGMK membership and a cash prize of 150€.

### Topics of Keynote Lectures

- Catalysis for future fuels and chemical feedstocks
- The use of renewable energy in catalysis (electro-, photo-, ...)
- Catalysis & mobility
- Circular economy
- Feedstock diversification
- Catalysis in generation and use of hydrogen
- Energy efficiency of chemical processes

30th Conference of the  
Petrochemistry Division of DGMK

**Date**  
October 5 - 7, 2022

**Venue**  
Feierabendhaus der BASF,  
Ludwigshafen

**Extended Deadline for Poster  
Submission**  
July 15, 2022

**Download Poster Template**
